

An Overview of Buses in London from the 1930s to the 1960s: A Journey Through Time

The 1930s: The Golden Age of Buses

The 1930s witnessed a golden age for buses in London. The city's transport network was expanding rapidly, and buses were the primary mode of transport for many Londoners. The iconic Routemaster bus, which became synonymous with the city, was first introduced in 1938. These double-decker buses, with their distinctive red livery and open platforms, quickly became a beloved symbol of London.
