## Materials

To get started with stumpwork, you will need the following materials:

- Fabric: Choose a fabric that is sturdy enough to support the embroidery, such as linen, cotton, or silk.
- Thread: Use a variety of thread weights and colors to create different effects.
- Needles: Use a variety of needle sizes to accommodate different thread weights.
- Scissors
- Stumpwork wire: This wire is used to create the three-dimensional effects in stumpwork.
- Padding: This material is used to fill out the three-dimensional shapes.
- Glue: This is used to secure the padding and wire to the fabric.

## Getting Started

Once you have gathered your materials, you can begin your first stumpwork project. Here are a few tips to get you started:

- Choose a simple project to start with, such as a small flower or leaf.
- Follow the instructions carefully and don't be afraid to ask for help if you need it.

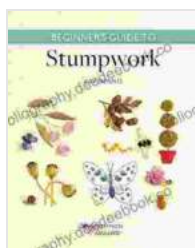

- Be patient and take your time. Stumpwork is a delicate art form that requires patience and precision.

## Projects

Once you have mastered the basics of stumpwork, you can begin to work on more challenging projects. Here are a few ideas to get you started:

- Create a three-dimensional portrait of a loved one.
- Embroider a stumpwork scene of your favorite landscape.
- Make a stumpwork ornament for your Christmas tree.

Stumpwork is a beautiful and rewarding form of embroidery. With a little practice, you can create stunning three-dimensional pieces that will be treasured for years to come.
