# Embark on an Intellectual Odyssey at the 10th EAI International Conference MONAMI 2024 in Chiba, Japan

From November 10th to 12th, 2024, the picturesque city of Chiba, Japan, will play host to the much-anticipated 10th EAI International Conference on Mobile and Multimedia Technologies (MONAMI 2024). This prestigious event promises to be a vibrant hub of innovation and intellectual exchange, bringing together leading researchers, industry experts, and academicians from around the globe.

MONAMI 2024 will provide a compelling platform to explore the rapidly evolving landscape of multimedia and mobile technologies. Attendees will delve into cutting-edge research and transformative applications across diverse fields, including:

- Mobile Cloud Computing and Edge Computing

- Wireless and Mobile Networks

- Multimedia Systems and Applications

- Data Analytics for Multimedia

- Artificial Intelligence and Machine Learning for Multimedia

- Immersive Technologies and Virtual Reality

- Blockchain and Security in Multimedia

- Social Media and Digital Humanities

The conference will feature an illustrious roster of keynote speakers, renowned for their groundbreaking contributions to the field. These esteemed experts will share their insights on the latest technological paradigms and their potential impact on our digital lives.

Mobile Networks and Management: 10th EAI International Conference, MONAMI 2024, Chiba, Japan, November 10–12, 2024, Proceedings (Lecture Notes of the Institute ... Telecommunications Engineering Book 338) by Philip C. Jackson

MONAMI 2024 offers researchers an unparalleled opportunity to present their original research findings, engage in stimulating discussions, and forge valuable connections with like-minded individuals. The conference welcomes submissions of original research papers, demonstrations, and tutorials.

Beyond the conference halls, attendees will have ample opportunities to immerse themselves in the rich cultural heritage of Chiba. Explore the city's historical landmarks, savor the exquisite local cuisine, and witness the vibrant street culture that makes Japan such a captivating destination.

Registrations for MONAMI 2024 will open in early 2024. Early bird discounts will be available for those who register before the specified deadline.

- **Paper Submission Deadline:** June 15th, 2024

- **Notification of Acceptance:** August 1st, 2024

- **Camera-Ready Paper Submission Deadline:** September 15th, 2024

- **Early Bird Registration Deadline:** September 30th, 2024

The 10th EAI International Conference MONAMI 2024 promises an unforgettable experience for all who attend. Prepare to engage with brilliant minds, explore groundbreaking ideas, and shape the future of multimedia and mobile technologies.
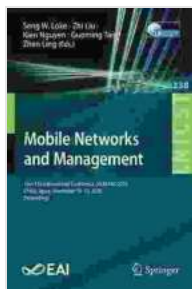

Visit the official conference website at [conference_website_url] for further details, registration information, and exciting updates. Join us in Chiba, Japan, for a transformative intellectual journey at MONAMI 2024.

Chiba, located just a stone's throw from Tokyo, is a vibrant city brimming with technological innovation and cultural charm. Home to world-renowned research institutions and cutting-edge industries, Chiba serves as a hub for groundbreaking advancements in mobile and multimedia technologies.

Beyond its technological prowess, Chiba invites visitors to explore its rich cultural heritage. Amidst modern skyscrapers, one can discover ancient temples, bustling markets, and serene gardens. The city's coastline offers stunning beaches and picturesque views, making it a perfect destination to unwind and embrace the Japanese way of life.

As you navigate the streets of Chiba, you'll be enchanted by the friendly atmosphere and the warm hospitality of its people. Immerse yourself in the local culture by visiting traditional festivals, indulging in delectable street food, or taking a leisurely stroll through its serene parks.

Chiba is a city where the past seamlessly intertwines with the future, creating a captivating destination that will undoubtedly leave a lasting impression on visitors. Prepare to be inspired and captivated as you embark on your intellectual journey at MONAMI 2024 in the dynamic city of Chiba, Japan.
