The book is divided into four sections:

- **Science Fiction:** Poems about space exploration, aliens, and other sci-fi topics.
- **Fantasy:** Poems about dragons, wizards, and other fantasy creatures.
- **Video Games:** Poems about video game characters, worlds, and experiences.

- **Geekery:** Poems about all things nerdy, from comic books to anime to tabletop games.

Nitwit Pie is a great gift for any nerd or geek in your life. It's also a perfect book to read on a rainy day or when you just need a good laugh.

## **Sample Poems**

Here are a few sample poems from Nitwit Pie:

### **To Boldly Go**

To boldly go where no one has gone before,

To seek out new worlds and explore,

To boldly go where no one has gone before,

And boldly go where no one has gone before.

### **The Dragon's Hoard**

In a cave beneath the mountain,

The dragon guards his hoard,

A treasure trove of gold and gems,

And a magic sword.

### **The Gamer's Lament**

I've been playing all night long,  
And I still haven't beaten this boss,  
I'm starting to think I'm not as good as I thought I was,  
Maybe I should just give up.

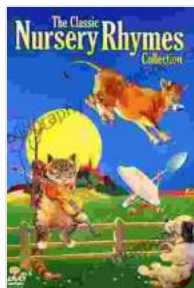

### **The Geek's Creed**

I am a geek, and I am proud,  
I love all things nerdy,  
From comic books to science fiction,  
To video games and anime.  
I am not ashamed of my geekiness,  
In fact, I embrace it,  
Because being a geek means being part of a community,  
A community of people who share my interests and passions.  
So if you're a geek, be proud,  
And don't let anyone tell you otherwise.
