Volume 1 Contents

The Suzuki Recorder School Volume 1 is divided into three parts:

Part 1: The Soprano Recorder

This section introduces the soprano recorder, its parts, and how to assemble it. Students will learn the basic fingerings and blowing techniques, as well as simple exercises to develop their dexterity and breath control.

Part 2: The Alto Recorder

Building on the skills learned in Part 1, this section focuses on the alto recorder. Students will explore the differences between the soprano and alto recorders, learn new fingerings, and practice exercises specifically designed for the alto.

Part 3: Duets for Soprano and Alto Recorders

This final section introduces students to the joys of playing duets. They will learn how to play simple duets for soprano and alto recorders, developing their ensemble skills and musicality.

Suzuki Method

The Suzuki Recorder School Volume 1 follows the renowned Suzuki Method, which emphasizes the importance of listening, imitation, and repetition in musical development. Students are encouraged to listen to recordings of the pieces they are learning, to imitate their teacher's playing, and to practice regularly to reinforce their skills.

Benefits of the Suzuki Recorder School Volume 1
