Part I: Historical Overview

Part I provides a historical overview of the Italian political system, from the unification of Italy in 1861 to the present day. This section examines the key events and developments that have shaped Italian politics, including the rise and fall of fascism, the establishment of the republic, and the country's integration into the European Union.

Part II: The Italian Constitution and Institutions of Government

Part II examines the Italian constitution and the institutions of government. This section provides a detailed analysis of the Italian constitution, including its key principles and provisions. It also examines the structure and functions of the Italian government, including the presidency, the parliament, and the judiciary.

Part III: Political Parties and Party System

Part III discusses the political parties and party system. This section provides a detailed analysis of the Italian party system, including the history, ideology, and organization of the major political parties. It also examines the electoral system and voting behavior, and the role of interest groups and social movements.

Part IV: Electoral System and Voting Behavior

Part IV analyzes the electoral system and voting behavior. This section provides a detailed analysis of the Italian electoral system, including the different types of elections, the voting procedures, and the distribution of seats in the parliament. It also examines voting behavior in Italy, including the factors that influence voter choice.

Part V: Interest Groups and Social Movements

Part V examines the role of interest groups and social movements. This section provides a detailed analysis of the different types of interest groups and social movements in Italy, including their history, organization, and goals. It also examines the relationship between interest groups and social movements and the political system.

Part VI: Italy and the European Union

Part VI explores the relationship between Italy and the European Union. This section provides a detailed analysis of Italy's role in the European Union, including its participation in the European Parliament, the Council of the European Union, and the European Commission. It also examines the impact of the European Union on Italian politics and society.

Part VII: Challenges Facing the Italian Political System

Part VII assesses the challenges facing the Italian political system, including economic stagnation, political corruption, and organized crime. This section provides a detailed analysis of the different challenges facing the Italian political system, and the different ways in which these challenges can be addressed.

The Oxford Handbook of Italian Politics is a comprehensive and authoritative overview of the Italian political system. The book provides a detailed analysis of the different aspects of Italian politics, from its historical origins to its contemporary challenges. The book is an essential resource for students, scholars, and anyone interested in Italian politics.
