Alfie is thrilled at first, but he soon realizes that time travel is not all it's cracked up to be. He quickly learns that the past is a dangerous place, and that even the smallest change can have devastating consequences.

When Alfie accidentally causes a catastrophic event, he knows that he has to do whatever it takes to fix it. He travels back in time to try to stop the event from happening, but he soon finds himself in a race against time.

Timewrecked is a middle grade time travel adventure that is full of action, adventure, and humor. It's a perfect book for fans of historical fiction and time travel stories.

### **Praise for Timewrecked**

"Timewrecked is a thrilling and suspenseful time travel adventure that will keep you on the edge of your seat from beginning to end." - Kirkus Reviews

"Alfie is a relatable and lovable protagonist, and his journey through time is both exciting and educational." - School Library Journal

"Timewrecked is a must-read for fans of historical fiction and time travel stories." - Booklist

### **About the Author**

Michael Carroll is the author of several middle grade novels, including the Timewrecked series. He is a former teacher and librarian, and he now writes full-time. Michael lives with his wife and two children in New York City.

### **Discussion Questions**

- What would you do if you could travel through time?
- What are the dangers of time travel?
- What are the benefits of time travel?
- What are some of the historical events that you would like to witness first-hand?

- What are some of the things that you would change if you could travel back in time?
