Travels in South Africa Undertaken At The Request Of The London Missionary Society in the Years 1803, 1804, 1805, and 1806 by Henry Lichtenstein. This book was written by Henry Lichtenstein and published in 1812. It is a travelogue of Lichtenstein's journey through South Africa from 1803 to 1806. The book is divided into four parts, each of which covers a different region of South Africa. In the first part, Lichtenstein travels through

the Cape Colony. In the second part, he travels through the Orange River Colony. In the third part, he travels through the Transvaal Colony. In the fourth part, he travels through the Natal Colony.

Lichtenstein's book is a valuable source of information about South Africa in the early 19th century. It provides a detailed account of the country's geography, climate, and people. Lichtenstein also provides a valuable insight into the political and social conditions of South Africa at the time.

Lichtenstein's book is a fascinating read for anyone interested in South African history. It is a well-written and informative account of a journey through a country that was undergoing a period of great change.

### ## Part I: The Cape Colony

The first part of Lichtenstein's book covers his journey through the Cape Colony. He begins his journey in Cape Town and travels east through the colony. He visits the towns of Stellenbosch, Paarl, Worcester, and Beaufort West. He also travels to the Great Karoo, a vast desert region in the interior of the colony.

Lichtenstein's account of the Cape Colony provides a valuable insight into the colony's geography, climate, and people. He also provides a valuable insight into the political and social conditions of the colony at the time.

### ## Part II: The Orange River Colony

The second part of Lichtenstein's book covers his journey through the Orange River Colony. He begins his journey in Colesberg and travels north through the colony. He visits the towns of Philippolis, Bethulie, and Aliwal

North. He also travels to the Vaal River, which forms the border between the Orange River Colony and the Transvaal Colony.

Lichtenstein's account of the Orange River Colony provides a valuable insight into the colony's geography, climate, and people. He also provides a valuable insight into the political and social conditions of the colony at the time.

### ## Part III: The Transvaal Colony

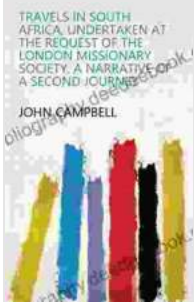

The third part of Lichtenstein's book covers his journey through the Transvaal Colony. He begins his journey in Potchefstroom and travels north through the colony. He visits the towns of Pretoria and Rustenburg. He also travels to the Limpopo River, which forms the border between the Transvaal Colony and the Natal Colony.

Lichtenstein's account of the Transvaal Colony provides a valuable insight into the colony's geography, climate, and people. He also provides a valuable insight into the political and social conditions of the colony at the time.

### ## Part IV: The Natal Colony

The fourth part of Lichtenstein's book covers his journey through the Natal Colony. He begins his journey in Durban and travels north through the colony. He visits the towns of Pietermaritzburg and Ladysmith. He also travels to the Drakensberg Mountains, which form the border between the Natal Colony and the Orange Free State.

Lichtenstein's account of the Natal Colony provides a valuable insight into the colony's geography, climate, and people. He also provides a valuable insight into the political and social conditions of the colony at the time.
